

How to Redeem GIG Vouchers

Welcome to The Gig Club Rewards Experience

GIG Vouchers are designed to make your shopping experience more rewarding and valuable. Whether you receive a physical voucher or a digital voucher attached to your purchases, redeeming your GIGs is simple and convenient.

This guide will walk you through the complete process of redeeming your GIG Voucher successfully.

Redeeming a Physical GIG Voucher

Step 1: Create Your Club Member Account

To redeem a physical GIG Voucher, you must first have an online account on the official website of The Gig Club.

 Official Website: www.thegigclub.co.uk

If you are not already registered, sign up as a Club Member to create your account.

Step 2: Log In to Your Account

Once your account has been created successfully:

- Visit the official website
- Click on Sign In
- Enter your account credentials
- Access your Club Member dashboard

Step 3: Navigate to the Account Menu

After logging into your account:

- Open the Account Menu
- Look for the option labeled:

“Redeem Voucher”

Select this option to continue.

Step 4: Enter Your Voucher Code

Carefully enter the voucher code printed on your physical GIG Voucher. After entering the code,

- Click the “Redeem” button
- Wait for the confirmation process to complete

Step 5: Redemption Confirmation

Once the voucher has been redeemed successfully:

- A notification message will appear on your screen
- The specified GIG amount will automatically be credited to your GIG Wallet

Your GIGs are now ready to be used for future purchases on The Gig Club.

Redeeming Digital GIG Vouchers

Digital GIG Vouchers work differently from physical vouchers.

When you purchase eligible products directly from The Gig Club website, the attached digital GIG Vouchers are automatically credited to your GIG Wallet after successful purchase confirmation.

No manual redemption is required for digital vouchers.

Important Notes

- Make sure you enter the voucher code correctly
- Ensure you are logged into the correct Club Member account before redeeming
- Redeemed GIGs are credited directly into your GIG Wallet
- Digital vouchers are processed automatically after eligible purchases
